1984
OFFICIAL PROGRAM
\$1.00

Mike Hallisey

POST TIME 8:00 P.M.

46th RACING NIGHT— WEDNESDAY, FEBRUARY 29, 1984

HOW TO READ THE PROGRAM

The horse's head number, saddle cloth number, program number, mutuel number and post position are the same except when there is an entry in the race. The initials following the horse's name represent color and sex, figures denote age. The names following are the horse's sire, dam and sire of dam in that order. Under the horse's name are his lifetime earnings and lifetime record preceded by his age when record was made up to date. Following the lifetime earnings is the name of the driver, his date of birth, weight and his colors. Next is the horse's best winning time on a half-mile, five-eighths, three-quarter or mile track for the last year and the current racing season, followed by his starts and the number of wins, seconds, thirds in purse races and his money winnings. Beneath the horse's name are records of his most recent races. They read from bottom to top line is the horse's last race.

The date of the race is followed by the name of the track. All tracks are half-mile unless followed by the figure (1) which means that it is a mile track or (3/4) which is a three-quarter mile track, etc. Then is noted the purse, condition of the track on the day of the race, the conditions of the race, or if a Claiming Race the Claiming Price. Race distance, time of the leading horse at the 1/4, 1/2 and 3/4 follow, then comes the winner's time. The figures that follow in order show the post position of the horse, his position at the 1/4, 1/2, 3/4, stretch with lengths behind except for the leading horse whose number denotes lengths ahead and finish with beaten lengths. If he was a winner, it shows how far ahead of the second horse and the losers show how far they were behind the winning horse. The next figure shows the horse's actual time in that race. Whenever a small "oo" appears after the calls, it denotes that the horse raced on the outside at least one-quarter of a mile. In some instances these figures won't appear because the track at which the horse raced did not have its races charted. Then follows the closing odds to the dollar, the horse's driver, and the order of finish, giving the names of the first three horses, temperature and time due to cold weather.

Internal Revenue Requirement

Internal Revenue now requires every person who receives \$600.00 or more in gambling winnings (If such winnings are at least 300 times as large as the amount wagered) to provide information necessary to file IRS Form W-2G. Every person who receives winnings in the amount of \$1,000 (If such winnings are at least 300 times as large as the amount wagered) must have withheld 20% of such winnings and provide information necessary to file IRS Form W-2G and IRS Form 5754. Our tellers are required to ask anyone cashing a ticket valued at \$600 or more if they have an identical wager. If so, this amount must be noted in Box 11 or Form W-2-G. Should this amount exceed \$1,000 (minus the wager), the teller must deduct 20 per cent for the IRS.

Breaking Rule

Rule 17-(a) When any horse or horses break from their gait in trotting or pacing, their drivers shall at once, where clearance exists, take such horse to the outside and pull it to its gait.

(b) The following shall be considered violations of Rule 17:

1. Failure to properly attempt to pull the horse to its gait.
2. Failure to take to the outside where clearance exists.
3. Failure to lose ground by the break.

(c) If there has been no failure on the part of the driver in complying with (b) 1, 2, and 3, the horse shall not be set back unless a contending horse on his gait is lapped on the hind quarter of the breaking horse at the finish.

(d) The Judges may set any horse back one or more places if in their judgement any of the above violations have been committed, and the driver may be penalized.

Starting Rule

New Jersey Harness Racing Commission ruling, there shall be no recall after the word (go) has been given.

The Starter may sound a recall only for the following reasons:

A horse scores ahead of the Gate, there is interference, a horse has broken equipment, a horse falls before the word (go) is given, or when a horse fails to come to the gate before the gate reaches the pole 1/16 of a mile before the start. The field may then be turned. The term (failure to come to the gate) shall be interpreted to mean that the horse stops, turns and goes in a direction opposite from that of the starting gate, or is hopelessly outdistanced, or by reason of an intermittent or continuous break is considered by the Starter not to be competitive. Any driver deliberately creating such a situation shall be fined and/or suspended.

RULES AND INFORMATION GOVERNING EXACTA AND TRIFECTA WAGERING

EXACTA WAGERING — How It Works:

Q. What is Exacta betting?

A. The Exacta is a wager combining 2 horses in an Exacta race that will subsequently finish first and second in that race.

Q. How do I make an Exacta bet?

A. Make your selections to finish first and second, go to any Teller window and first ask for the denomination, then say "Exacta" and then signify the horse numbers. For example; \$2 Exacta, 5, 4, Number 5 must win and number 4 must be second. Payment will be made on tickets having selections in the order of finish as officially posted.

Q. How much is the wager?

A. Exacta wagers may be purchased for as little as \$2, however, the ALL BETTING CASHING Mutuel System enables you to place an Exacta wager for any denomination you may desire, up to a maximum of \$250 per individual wager.

Q. Is there any "exchange" of Exacta ticket?

A. No. You need make only your original selection on the horses that will finish first and second. No further exchange of ticket.

Q. Do you have to pick the first two horses in just the right order?

A. Exactly! That's Exacta! You must pick two horses to finish first and second, in the exact order.

Q. How is the Exacta pay-off figured?

A. The winners' share of the pari-mutuel pool is divided equally among the ticket holders who have selected the first and second horses to finish. Remember, Exacta is entirely separate from the Win, Place and Show pools which are operated on all races.

When taking advantage of "Advanced Wagering" first signify to the Teller the Race Number and then proceed to call out the rest of the wager.

For your convenience, EXACTA WHEEL and EXACTA PARTIAL WHEEL wagers are available. Ask the Teller to explain to you these other forms of Exacta wagering.

THE "TRIFECTA"

The "TRIFECTA" is a form of pari-mutuel wagering whereby each bettor, selects in order the first, second and third placed horses in the 4th and 10th Race "Trifecta".

In wagering, go to the Teller window and ask for the wager as follows:

- 1) the denomination of the wager
- 2) Trifecta
- 3) the three numbers you predict will finish exactly in one, two, three order.

For example, \$5, Trifecta, "2-4-8" or \$2, Trifecta, "3-8-5". Remember, to hold a winning ticket, the three horses must finish in the exact order that you selected them.

Trifecta wagers may be purchased for as little as \$2, however, you may make a Trifecta wager for any denomination you desire up to a maximum of \$250 per individual wager.

For your convenience, TRIFECTA BOX, TRIFECTA KEY, TRIFECTA WHEEL AND TRIFECTA PARTIAL WHEEL wagers are available. Ask the Teller to explain to you these various forms of Trifecta wagering.

NEW JERSEY RACING RULES GOVERNING TRIFECTA WAGERING

1. The Trifecta (or other approved name) is a form of pari-mutuel wagering. Each bettor selects, in order, the first, second, and third placed horses in the designated Trifecta race. The Trifecta pool shall be held entirely separate from all other pools, and is no part of a daily double, exacta or other wagering pool.
2. Races in which Trifecta pools shall be conducted shall be approved by the Commission and shall be clearly designated in the program.
3. Scratch. If a horse is scratched or declared a non-starter no further Trifecta tickets may be issued designating such horse and all Trifecta tickets previously issued designating such horse shall be refunded and the money deducted from the gross pool.
4. Failure to select a winning combination, short finishes.
 - (a.) If there is a failure to select, in order, the first three horses, pay-off shall be made on Trifecta tickets selecting the first two horses, in order; failure to select the first two horses, pay-off to Trifecta tickets selecting the winner to win; failure to select the horse finishing second, pay-off shall be made to the winner and third place horse with any and all other horses finishing second; failure to select the winner to win, payment shall be made to holders of tickets on the second and third place finishers with any and all other first place selections.
 - (b.) If less than three horses finish, pay-off shall be made on tickets selecting the actual finishing horses in order, ignoring the balance of the selection.
5. Dead Heats. In the event of a dead heat, the Trifecta will be calculated as a place pool.

In the event of dead heats, all Trifecta tickets selecting the correct order of finish will place in the net pool in inverse proportion to the number of tickets on each winning combination.
6. Coupled entries and fields are prohibited in Trifecta races.

TRIFECTA WAGERING. Where a field in a trifecta race in harness racing is two or more horses short of filling the available positions of the starting gate at wagering time, said race will be run as an exacta.
A late scratch after wagering starts will not affect the trifecta.

EXACTA RULES NEW JERSEY RACING COMMISSION

In order to win an Exacta, it is necessary for the purchaser of an Exacta ticket to select the winning horse and the horse finishing second in the race in which Exacta type wagering is permitted. If either of the selections made by the purchaser fails to finish in the position designated by the purchaser when purchasing the Exacta ticket then the contract is void except as herein after provided.

Should there be a dead heat in an Exacta race, holders of tickets on those two horses involved will share in the Exacta payoff. Should there be a dead heat to place, both horses involved shall share in the pool with the winner of the Exacta race.

If no ticket is sold combining the two winners of the Exacta, the pool shall then be apportioned equally between those having tickets including the winner of the race and those having tickets including the horse finishing second in the race in the same manner in which a Place Pool is calculated.

In the event any horse or horses in the Exacta should be excused by the racing officials after the horses have left the paddock for the post, or after the betting on the Exacta has been closed, or should any horse or horses in the Exacta be prevented from racing because of failure of the arm or arms of the starting gate to open, the money wagered on any horse or horses so excused or prevented from racing shall be deducted from the Exacta pool and refunded to the purchaser or purchasers of tickets on the horse or horses so excused from racing.

\$1 TRIFECTA BOX

THE \$1 TRIFECTA BOX IS HERE NOW AT THE MEADOWLANDS AND IS AVAILABLE AT ALL TELLER WINDOWS. WHEN BUYING THE \$1 TRIFECTA BOX SAY "\$1 TRIFECTA BOX" AND THEN INDICATE TO THE TELLER THE PROGRAM NUMBERS OF THE HORSES TO BE BOXED.

TRIFECTA and EXACTA BOX

TRIFECTA BOX

The \$1 Trifecta Box is now available at all Teller Windows. When purchasing a \$1 Trifecta Box, make sure you say "\$1 Trifecta Box" and then the program numbers of the horses that you wish to box. You may, on one ticket, box a minimum of 3 horses up to a maximum of the entire field. This gives the bettor every possible combination of the chosen horses to finish first, second and third, in exact order. Of course, Trifecta Box wagers may also be made for \$2 up to a maximum of \$250 per individual bet. The number of bets for each combination is:

3 horse box = 6 bets	8 horse box = 336 bets
4 horse box = 24 bets	9 horse box = 504 bets
5 horse box = 60 bets	10 horse box = 720 bets
6 horse box = 120 bets	11 horse box = 990 bets
7 horse box = 210 bets	12 horse box = 1320 bets

Remember, to determine the cost of the Trifecta Box wager you wish to make, multiply the dollar amount of your individual wager by the number of bets, as determined by the number of horses you wish to box. For example, in a 3 horse box there are 6 bets, if the dollar amount of the individual wager is \$1, then the cost would be \$1 X 6 bets = \$6. If the individual wager is \$2 then the cost would be \$2 X 6 bets = \$12.

EXACTA BOX

In Boxing the Exacta the bettor may box a minimum of 2 horses up to a maximum of the entire field on a single ticket, thereby giving the bettor every possible combination of the chosen horses to finish first and second in exact order. The number of bets for each combination is:

2 horse box = 2 bets	8 horse box = 56 bets
3 horse box = 6 bets	9 horse box = 72 bets
4 horse box = 12 bets	10 horse box = 90 bets
5 horse box = 20 bets	11 horse box = 110 bets
6 horse box = 30 bets	12 horse box = 132 bets
7 horse box = 42 bets	

Exacta Box wagers may be made for as little as \$2 up to a maximum of \$250 per individual bet. To determine the cost of your Exacta Box wager, multiply the dollar amount of your individual wager by the number of bets, as determined by the number of horses you wish to box. For example, in a 3 horse box there are 6 bets, if the dollar amount of the individual wager is \$2 then the cost would be \$2 X 6 bets = \$12.

TRIFECTA WHEEL

If you select one horse to win and wish to "WHEEL" it with the rest of the field in the place and show positions you may do so at any Teller window. If your "WHEEL" horse wins the race you win the Trifecta regardless of which horses finish second or third. You may also "WHEEL" a horse in the place position with the rest of the field in the win and show positions. You may also "WHEEL" a horse in the show position with the rest of the field in the win and place positions.

"WHEEL" wagers may be purchased for as little as \$1 or \$2 up to a maximum of \$250 per individual wager.

Based on a \$1 individual "WHEEL" wager the cost is as follows:

Twelve horse field	\$110	Eight horse field	42
Eleven horse field	90	Seven horse field	30
Ten horse field	72	Six horse field	20
Nine horse field	56	Five horse field	12

In Wheeling a horse, if your Wheeled horse finishes in the position that you have selected, you win the Trifecta no matter which horses finish in the other positions.

For your convenience, TRIFECTA KEY wagers are available. Ask the Teller to explain this form of Trifecta wagering to you.
